

Suprex® Corn Petfood

A functional and cost-effective Petfood Ingredient

Codrico has recently developed Suprex Corn Petfood, a functional and cost-effective ingredient for Petfood. Naturally rich in Carbohydrates, Fibers and Proteins, this natural product has undergone a controlled heat treatment, resulting in an improved digestibility and food safety. Moreover, it is easy processable and very suitable for cold pressed pet food due to its high degree of gelatinization.

Product Description A powder of pregelatinized corn flour

Product aspects

Orange/yellow colour
Typical maize odour and taste
Free flowing product

Packaging possibilities

25 kg per multi ply paper bag on sealed pallets
Bigbags
Bulk

Storage conditions

Store in a dark, cool and dry place ideally at a temperature below 14°C and relative humidity of < 60%

Granulation Different PSD possible from fine <160µm up to coarse particles

Chemical composition

Moisture content (%)	< 11	ISO 712
Fat (% w/w)	11	NEN-EN-ISO 11085-M
Carbohydrates (% w/w)	38	Calculated
Protein (% w/w)	10	Kjeldahl titrimetry
Dietary Fiber (% w/w)	25	AOAC 991.43-M
Ash (% w/w)	3	Gravimetry
